ABOUT ME

My name is Jinpeng Zhand and I am currently pursuing a bachelor's degree in computer science specializing in IT. I have little to no experience of working in the field which I'm studying for but I look forward to work as a programmer in every field in order to understand and find the most suitable job for me and to also gain experience and improve my social skills and also my coding skills. My personal projects are on my github: <https://github.com/Jimpoz>
